(a) LEDC Disciplinary Action. The LEDC shall have the ultimate right to suspend, reduce, suspend and reduce, or remove the Police Chief and/or any other police officer who is not probationary and for whom there is no valid and enforceable contract of employment or collective bargaining agreement which provides for a fair review prior to that suspension, reduction, suspension and reduction, or removal. For the purposes of these Procedures, the terms "discipline" or "disciplinary action" shall be limited to suspension, reduction, suspension and reduction, or removal.

(b) LEC Disciplinary Action. Disciplinary actions regarding a Police Chief whom the LEDC does not have such power shall be made on the recommendation of the Law Enforcement Committee (LEC) by the Village Board. (c) Review by the LEDC shall be initiated as follows:

(i) Charges regarding the police chief and/or any police officer may be initiated by, or filed by the Chief of Police, a member of the LEDC, the LEDC as a body, a member of the Village Board or any aggrieved person, with the Chairperson of the LEDC.

(ii) All such charges shall then be directed to the Village Administrator. The Village Administrator shall forward the charge for action

to the Chief of Police, who shall act as Investigating Official (IO).

(iii) If the Chief is implicated in the charge, or it seems likely to the Village Administrator that the Chief might become involved during the investigation that will follow, the Village Administrator shall serve as IO.

(iv) The IO shall notify the officer against whom the complaint was filed ("the charged party") of the complaint and request that an explanation be provided within a reasonable period of time.

(v) The IO can request participation of other agencies (e.g., the Sheriff; another police force; the Village Attorney; or outside counsel) to assist in an investigation as required.

(vi) All charges will receive, at minimum, an investigation by the IO and a review at the next higher level. If the Chief acts as IO, the Village Administrator shall review the findings. If the Village Administrator acts as IO, the LEDC shall review the findings.

(vii) The IO shall complete his/her preliminary review of the complaint by considering the charged party's response, if such response is timely provided.

(f) Although the Village prefers to have the LEDC complete its review prior to taking any disciplinary action, the LEDC may suspend the Police Chief or a police officer, or the Police Chief may suspend an officer,

pending review for just cause. Neither the Police Chief nor any police officer shall be deprived of compensation during suspension pending disposition of the charges.

(g) Review of Actions Taken by Police Chief.

(i) Notwithstanding the LEDC's exclusive right to discipline a police officer, the Police Chief shall retain the right to suspend police officers for just cause. In all such cases, the Police Chief shall immediately file a report with the Chairperson of the LEDC. The report shall detail the charges and the just cause rationale for the suspension.

(ii) At the request of the charged police officer, and if such request is made in writing to the Chairperson of the LEDC, the LEDC shall conduct a hearing regarding the suspension. In such cases, the Police Chief shall be required to file charges with the LEDC upon which the suspension was based and shall act as the complainant.

(C) LEDC Review Procedures.

(1) If the LEDC determines that charges do not reasonably inform the accused of the general charge against him or her and the facts supporting the charge, the LEDC shall dismiss the charges against the accused and serve a copy of the dismissal on the charged party and the complainant. No further action need be taken by the LEDC.

(2) Pre-Hearing Conference. If the LEDC does not dismiss the charge pursuant to the preceding paragraph, the Village Administrator shall schedule a pre-hearing conference at least fifteen (15) working days before the hearing. (c) Witnesses not on the witness list shall not be permitted to testify at the hearing, unless both parties agree to the witness and/or the parties and the LEDC agree to reschedule the hearing. (3) Hearing. The Village Administrator shall schedule the hearing. All hearings shall have a court reporter present taking down the proceeding. The Village, the charged party, and the complainant shall be notified in writing of the hearing, may attend the hearing as provided by law and may be represented by counsel.

(4) Disciplinary Action Following Hearing. The LEDC may take disciplinary action if there is just cause to sustain the complaint under the standards set forth in Wis. Stats. 62.13(5)(em), as may be amended, or as otherwise permitted by law. The current statutes indicate that just cause for discipline exists if:

(a) The Police Chief or police officer could reasonably be expected to have had knowledge of the probable consequences of the alleged conduct.

(b) The rule or order that the Police Chief or police officer allegedly violated is reasonable.

(c) The Police Chief, before filing the charge against the police officer, made a reasonable effort to discover whether the subordinate did in fact violate a rule or order (where applicable).

(e) The Police Chief discovered substantial evidence that the police officer violated the rule or order as described in charges filed in the report made against the police officer (where applicable).

(f) The Police Chief is applying the rule or order fairly and without discrimination against the police officer (where applicable).

(g) The proposed discipline reasonably relates to the seriousness of the alleged violation(s) and to the Police Chief's/police officer's record of service with the police department.

(5) Following consideration of the evidence presented at the hearing, the standards set forth above and briefs, if any, the LEDC shall prepare within three (3) days of the conclusion of the hearing and file the same with the Secretary of the Committee and provide notice and a copy to the Police

Thereafter, notices shall be given in accordance with the standards for service and filing of pleading and other papers, as provided in Wis Stats. 801.14. Time shall be calculated as provided in Wis. Stats. 801.15.

(F) Costs Associated with the LEDC.

(1) The cost associated with the LEDC shall be allocated to and paid from the Police Department budget. These costs shall include the costs of convening the LEDC (per diems to members, if any, expenses of LEDC secretary, court reporter costs, and publication/service of notices) and legal costs (costs associated with preparing and revising the LEDC Procedures, advising, and representing the Village on a matter that has been referred to the LEDC, and retaining special counsel for the LEDC, where the LEDC deems such counsel desirable or necessary)

(2) Special counsel may be necessary where the Village Attorney would have a conflict of interest representing the Village and the LEDC. The existence of a conflict of interest must be made on a case-by-case basis. For example, special counsel may be necessary where the complainant is the Public Safety Committee, the Village President or the Police Chief, but may not be necessary where there is a third-party complainant.
